

Parrot Hi-Performance Matte Canvas

Parrot Hi-Performance Matte Canvas is a 17-mil, white, acid free, artist stretch canvas. A cotton/polyester blend with an optimized coating designed to provide high color gamut and resolution. This canvas is water and fade resistant when used with pigmented inks. Designed for museum quality fine art and photographic reproduction. Available in both large format and grand format roll sizes.

Features

- Premium acid free cotton-polyester blend
- Coating formulation that produces a high gamut color and superior resolution
- Optimized for giclée printing
- Resists cracking even when stretched
- Resists curling
- Long-term image stability
- Appealing look and feel
- Available in large format and grand format roll sizes

Benefits

- Resists yellowing
- Brighter, more-saturated image.
- Enhanced image resolution and detail, especially in highlight and shadow areas.
- Expanded output options for digital originals and reproductions

Optimal Printing Environment

- 72 F (+/-5) 20% to 60% RH

Optimal Storage Environment

- 72 F (+/-5) 20% to 60% RH
